

# LIPMAN FAMILY PRIZE FELLOWS

## Vision. Inspiration. Impact.

The ability to see the world as it can be.

**FELLOWSHIP:** Lipman Family Prize Fellows support the selection of the prize finalist and develop their leadership skills while learning about the social sector.

**MISSION:** The Barry & Marie Lipman Family Prize at the University of Pennsylvania is an annual prize that celebrates leadership and innovation among organizations creating positive social outcomes with an emphasis on impact and transferability of practices.

### COMPETENCIES DEVELOPED:

- Communication
- Teamwork
- Emotional Intelligence
- Influence

### OPPORTUNITIES GAINED:

- Learn about the different social impact models through the philanthropic process
- Complete a due diligence process with organizations being considered for the prize
- Learn from varied members of the Wharton/Penn teaching community
- Refine soft skills like communication, teamwork and emotional intelligence
- Employ hard skills of data analysis and project management

**COMMITMENT:** Full academic year

**OPTIONS:** 12 students are chosen from both graduate and undergraduate programs at the University's 12 schools.

### TIMELINE:

**Early September:** Information Session

**Mid-September:** Application Deadline

**Early October:** Lipman Family Prize Fellows announced

**Early October:** Lipman Family Prize Fellows Orientation Retreat

## 200 Hours of Learning per Student

“The chance to learn about the social sector through this philanthropic process and partake in discussions about ‘big issues’ tackled by world premier social entrepreneurs has really shaped my student experience. The multidisciplinary composition of the fellow committee is completely unique.”

— JENNY XU
