McNulty Leadership Program (MLP) Overview 2018
Maximizing My Wharton with McNulty Leadership

Student of Leadership

Stretch Experiences

Feedback & Coaching
Let’s begin…

Take **60 seconds** to answer the following question to yourself…

- **How do I want to develop myself (as a leader, a team member) while I am at Wharton?**

- **What are my top 1-2 developmental goals for my time at Wharton?**

Turn to a partner and introduce yourself in a way that **does not reference your undergraduate institution or former job.**

Then you will have **five minutes** for each of you to **share your goals.** If you have enough time, you can ask questions of each other or discuss in a bit more depth.

MLP Approach to Leadership Development

- **Concrete Experience**: doing having an experience
- **Reflective Observation**: reviewing reflecting on the experience
- **Active Experimentation**: planning testing what you have learned
- **Abstract Conceptualization**: concluding learning from the experience

Good Questions for Program Teams

• Is access through open enrollment, lottery, or application?

• How does this program help me to develop ______ leader(ship) skill(s)?

• Is there a cost associated with participation?

• Does this program conflict with other student programming, either inside or outside MLP?
